

## PAYMENT POLICIES

Living Hope Eating Disorder Treatment Center, PLLC and Meghan Scears, MD accepts select medical insurance plans. For patients who carry a qualifying form of insurance, a co-pay will be collected at each visit and a claim will be filed to the appropriate insurance provider on behalf of the patient. Prior to the scheduled appointment time, the insurance currently on file will be ran. If the patient's deductible has not been met for the year, payment will be expected in full at the time of service. For patients without medical insurance or who carry plans that are not accepted by Living Hope Eating Disorder Treatment Center, PLLC, payment will be due in full at each visit for service rendered.

We now accept Care Credit as a form of payment and offer loan services through My Treatment Lender.

We accept cash, check, VISA or MasterCard. For more information, please either call our office at (405) 801-2323 or email us at [info@livinghopeok.com](mailto:info@livinghopeok.com).

### MISSED APPOINTMENTS:

We have a limited number of appointments available and each one is scheduled to take at least an hour of Dr. Scears' or another provider's time. Therefore, we ask that **if you must reschedule or cancel an appointment, you notify us 48 business hours prior to your scheduled appointment time.** Failure to do so will result in a **\$100.00 charge.** A **"No Call No Show"** to a scheduled appointment will also result in a **charge in the amount of \$100.00** and will be due upon receipt. Of course, we do make exceptions for emergencies, which is determined by our office.

### RETURNED CHECK POLICY:

Should you decide to pay in the form of a check and it is returned to our office unable to process payment, a **\$25.00 fee** will be applied to the patient's file. At future appointments, cash or credit will be the only forms of payment accepted.

By signing below, I admit that I have read and agree to the policies stated above in regard to payment for any treatment or services provided to me by Living Hope Eating Disorder Treatment Center, PLLC and Meghan Scears, MD.
